

Based on data reported by states to date, during the fall 2016 American College Application Campaign, more than 5,700 high schools hosted college application events nationally which resulted in around 440,000 seniors submitting over 740,000 college applications. As of now, this represents approximately an 18 percent increase in the number of participating high schools from 2015. ACAC has established the goal of reaching 7,000 high schools nationally during the 2017 campaign.
