

COLLEGE APPLICATION FEE WAIVERS

ARE YOU ELIGIBLE?

College application fee waivers can remove the cost of applying to college. Use this tool to see if you are eligible and learn how to apply for application fee waivers.

APPLICATION FEE WAIVERS

WHO ACCEPTS FEE WAIVERS?

Most two-year and many four-year colleges are free to apply to, so no fee waiver is needed. Many four-year colleges that do have an application fee will accept the ACT, College Board, and/or NACAC **fee waiver** for students who meet the criteria (more information on that below). For these colleges, many will list fee waiver as a payment option on the admissions application. Check with your school counselor to see if the college(s) you plan to apply to charge a fee and, if so, whether they accept fee waivers from eligible students.

WHO IS ELIGIBLE?

Typically, fee waivers are available to students for whom the college application fees would create a financial burden or hardship. Students who were eligible for fee waivers to college entrance exams, such as the ACT or SAT, are usually also eligible for college application fee waivers.

TYPES OF FEE WAIVERS

WHAT FEE WAIVERS ARE AVAILABLE?

There are three types of fee waivers typically accepted by colleges and universities, but it is important to note that not all colleges and universities will accept fee waivers. Students or school counselors should confirm with the admissions office at specific institutions to ensure fee waivers are accepted.

- **ACT Fee Waiver**

ACT provides a college application fee waiver in their ACT User Handbook for Educators publication, link below. Students who are eligible for a fee waiver to the ACT college entrance exam are also eligible for a college application fee waiver. School counselors need only print out the number of fee waivers needed and sign-off on student eligibility. Students must also sign the form. The college application fee waiver may be found here: <https://www.act.org/content/dam/act/unsecured/documents/RequestForWaiverForm.pdf>

- **College Board Fee Waiver**

The College Board provides college application fee waivers directly to eligible students as part of the SAT fee waiver benefits. College application fee waivers will appear in eligible students' My SAT account if they: are a senior in high school, have taken at least one SAT, and have a score or waiting for a score. - **National Association for College Admission Counseling (NACAC) Fee Waiver**

This college application fee waiver can be downloaded from NACAC's website, provided below. Instructions for submission can be found on the NACAC website, including a list of eligibility requirements. NACAC recommends that students receive no more than four fee waivers for the college application process. Additional information on the NACAC fee waiver can be found on their website here:
