

2024 Campaign Results

Data from the 2024 American College Application Campaign, as reported by state campaigns, indicate that:

- Over 6,137 high schools hosted a College Application Campaign event nationally.
- More than 500,696 seniors submitted at least one college application during 2024 College Application Campaign events.
- Roughly 2,012,138 college applications were submitted during events.

Because not all data are reported, we know these results are conservative. To date, 5.17 million students have been served, submitting over 10 million college applications since the campaign's inception in 2005.
