

2025 Campaign Results

Data from the 2025 American College Application Campaign, as reported by state campaigns, indicate that:

- Over 9,930 high schools hosted a College Application Campaign event nationally.
- More than 1,954,891 seniors submitted at least one college application during 2025 College Application Campaign events.
- Roughly 2,605,598 college applications were submitted during events.

Because not all data are reported, we know these results are conservative. To date, 7 million students have been served, submitting over 12 million college applications since the campaign's inception in 2005.
